

## CONTENTS

### MATHEMATICS

<i>Gainutdinova T.Yu.</i> Digital handbook algorithm formation of rotary jet flight performance. . . . .	4
<i>Galieva L.I., Galautdinov I.G.</i> On one class of irreducible polynomials. . . . .	8
<i>Nazipov I.T.</i> The solution of the Triкоми problem for a single equation using integrals. . . . .	12
<i>Nigmedzianova A.M.</i> Investigation of boundary $N$ problems for one multidimensional singular elliptic equation of the first order by the method of potentials. . . . .	17
<i>Safina R.M.</i> The solution of $N$ problem for one $B$ -elliptic equation using the Green function method. . .	21
<i>Sungatullina Z.Yu.</i> The construction of square formulas for approximate calculation of fractional integrals. . . . .	25
<i>Chepanova N.V.</i> Solving the Cauchy problem for a singular $B$ -hyperbolic equation by the Fourier-Bessel integral method. . . . .	27

### CHEMISTRY

<i>Nizamov I.S., Shamilov R.R., Vasilenko G.I., Yambushev F.D.</i> Phosphorylation of nanosize hyperbranched aliphatic polyesterpolyols. . . . .	30
--	----

### BIOLOGY

<i>Gorshkov P.K., Yurkina N.A., Mostyakova A.A.</i> The study of marmots' fodder base on the territory of Predvolzhje and Zakamje. . . . .	34
<i>Katalihmov L.L.</i> Functional role of periaxonal spatium in nodes of Ranvier. . . . .	37
<i>Muranova L.N., Andrianov V.V., Gaynutdinova T.Kh., Zalkeeva I.V., Gaynutdinov Kh.L.</i> Effects of nitric oxide on elaboration of sensitization in <i>Helix pomatia</i> . . . . .	43
<i>Mustafina R.G.</i> Autonomic regulation rate of cardiac function for thirteen-year old children of different educational background. . . . .	47
<i>Chiglintsev V.M., Gilmutdinova R.I., Sitdikov F.G.</i> The formation of functional indicators of the heart of rats, growing up in the conditions of hypokinesias, on the stimulation of wandering nerve. . . . .	51
<i>Yafarova T.Sh., Rakhimov I.I.</i> The peculiarities of sparrows living conditions in the ecosystem of Kazan. . . . .	56

### THEORY AND METHODS IN EDUCATION

<i>Kamakhina R.S.</i> The specific features of teaching methods in small schools in the village. . . . .	60
<i>Salekhova L.L.</i> Designing the didactic model of bilingual methods of teaching mathematics. . . . .	64

### THE ACADEMIC LIFE

<i>Kinosjyan V.A.</i> Hierarchy and non-hierarchy in ontological and gnoseological conceptualization (a review of the monograph "Dialectics of hierarchy and non-hierarchy in philosophy and science" by Khakimov). . . . .	69
---	----

<b>GLORIOUS JUBILEE</b> . . . . .	72
-----------------------------------	----

<b>OUR AUTHORS</b> . . . . .	73
