Abstract

© 2014, Mediterranean Center of Social and Educational Research. All rights reserved. The practice of recognition and protection of "human rights" have a long history, respectively, and from the time of arising of social rights and freedoms, passed quite a few centuries. In different parts of the world, social rights and freedoms emerged and developed ambiguous. Their recognition, consolidation, compliance, security and protection of structural represent a very significant set of principles and rules governing a wide range of social relations.
